GENERAL ACKNOWLEDGEMENTS

Please initial that you understand and agree to abide by the following regulations regarding firearms and other weapons in foster homes.

In accordance with **465 IAC 2-1.5-10 Physical facilities of the foster family home; safety; general (c) Firearms and other weapons:**

- _____ (1) Foster parents shall be in compliance with state and local laws with regard to firearms.
- _____ (2) Firearms, including BB guns and air guns, shall be unloaded and locked up in the foster family home to prevent unauthorized use. Ammunition and projectiles, such as arrows, or other items which can be used to make a weapon operable, shall be locked separately from the weapon.
- _____ (3) Foster children shall not be given access to firearms or other weapons unless approved in writing by the department for educational or recreational purposes.

In addition to the above regulations, it is recommended as an additional safety precaution that foster parents store the keys for the gun and the ammunition in a different area (unknown to the children) from where you store household keys.

LICENSE TO CARRY A FIREARM

If you have a current license to carry a firearm, please initial that you understand the following:

- _____ I understand that even with a license to carry a firearm or as a law enforcement officer, I must still abide by the above regulations regarding firearms safety and preventing access to children.
- _____ I understand that when I am traveling in a vehicle with foster children, I will be expected to secure the firearm in the vehicle's locked trunk, locked glove box or other lock box (not applicable to law enforcement officers).

Additionally, please provide the following information regarding your license to carry a firearm:

- A license verification document from your local law enforcement agency (*attach to this agreement*).

License number	Law Enforcement Agency (LEA) badge number (<i>if applicable</i>)
----------------	--

- Approved safety plan, which may include any or all of the following recommendations:
 - Ensure safety mechanisms are enabled at all times when carrying in the presence of children.
 - Utilize a holster that properly secures the firearm.
 - Completion of a firearms safety training class.
